

## **BROADWATER DRAGONS PADDLING CLUB INC**

From their humble beginning in 2001, Broadwater Dragons Paddling Club has developed into one of the strongest three Clubs in Queensland. Through dedication and commitment of all Club members, Broadwater Dragons won Gold and two Bronze medals at the Queensland State Championships in March 2008, of which they are very proud.

Broadwater Dragons was founded in 2001 by eight committed, very enthusiastic and experienced paddlers who shared a common goal of forming a club on friendship, comradery with a deep desire to compete at the highest level.

Many of Broadwater Dragons' current members have State, National and International experiences, with some having travelled to all National Championships since 2001; raced in South Africa, China, Canada and Malaysia.

As Broadwater Dragons continues to grow and recruit new members of all ages, it's ethos of "having fun while getting fit" will never be forgotten. With fun and friendship comes a strong desire to perform to the best of your ability.
