

## COOMERA DRAGONS

Coomera Dragons have a lot to be proud of. Established in 2007, we are one of the new clubs to the Queensland dragon boat arena. We are a family orientated club who likes to have LOTS OF FUN and we welcome all who wish to give dragon boat paddling a go!

Our club consists of paddlers from the Brisbane and Gold Coast communities ranging in age from 12 to 60+ years with one family boasting three generations paddling together.

Coomera Dragons train on Sunday mornings at Coomera Regatta Lake which is strategically situated midway between Brisbane and the Gold Coast at Oxenford. Our training regime is tailored to suit all ages and levels of fitness.

Coomera Dragons Juniors recently won two Gold Medals at the QLD State Dragon Boat Championships and have shown they are a force to be reckoned with. The opportunities available for our juniors are endless. In July 2009, three of our juniors made the Australian Squad and travelled to Prague to compete in the World Championships. The sport teaches our youth the key ingredience of discipline and commitment to work together as a team while also providing great benefits for training, fitness and racing.

The vision of Coomera Dragons is to increase the awareness of water sports to local communities especially our youth with the introduction of this fast growing sport. We have received a lot of interest in the sport through many of our fundraising activities and membership is steadily growing.
