

The Gold Coast Chinese Club Inc. Dragon Boat Team is based at Palm Beach, Gold Coast. We train in the magnificent canals of Palm Beach and in picturesque natural beauty of Tallebudgera Creek and the adjacent forest of Fleays Fauna reserve.

We are a small, friendly sports team with the longest history in Dragon Boat racing in Queensland. The club has been formed since 1986 and has competed in many local regattas, as well as a trip to China every two years to compete in international competition. We have successfully hosted the annual Tropicarnival Dragon Boat Regatta in Broadbeach for 21 years featuring the traditional Chinese Eye Dotting Ceremony by the Chinese Consul General in the true spirit of dragon boating with

active drumming. Dragon Boating originated in China and we are proud to continue to develop the sport in Australia through our continued alliance with the Gold Coast Chinese Club Inc.

Dragon Boating is definitely a team sport, with 20 paddlers working in time to a drummer in a 13m long dragon boat. Our club members are aged 12 – 50+, are mixed gender, are all different shapes and sizes, and come from a variety of backgrounds. We have a good social atmosphere about our club with occasional BBQs and dinner outings to increase our team unity.

We welcome beginner paddlers from all areas of the community. No experience is necessary, however you do need to have a sound heart and dragon boat spirit. We can help you become fitter ... and faster ... and to have fun !

Location

Clubhouse - 51 / 19th Avenue, Palm Beach
Training times: Tues & Thurs 5:30pm, Sat 3pm
