

# **The Lakes District Dragon Boat Association**

**The Lakes District Dragon Boat Association** was formed in January 2006 at Forest Lake.

The Lakers are now located at Springfield Lakes, south west of Brisbane. We train on the largest of the 3 lakes in the area, which is known as Regatta Lake, which can be found on Springfield Lake Boulevard, Springfield Lakes.

The club started with the assistance of the Currumbin Dragons and a leased boat, enough paddlers to get the boat up and running, and a boatload of enthusiasm. We now have 40 members and our membership is growing steadily especially since our move to Springfield Lakes in September of 2009.

At present our club trains on the lake on Saturday mornings but plans are being made to schedule more training sessions and on different days to better suit our members.

The possibilities for this club are endless, and anyone who is interested in having a go is welcome to come down and try. If we are out on the water, give us a wave and we will come in and pick you up.

Dragonboating is an exciting team sport that promotes teamwork, endurance and a sense of personal achievement. We cater for people of all ages from 13 to 60+.
