

Manly Dragon Boat Club

Based in Manly Boat Harbour on the eastern shores of Brisbane City, our home base is the Wynnum Manly Yacht Club. Our association with this well established Yacht Club allows our members to enjoy the excellent clubhouse facilities, easy launching and retrieving of the dragon boats and convenient car parking.

The Manly Dragon Boat Club had its' formation meeting in October 2006 with the support of the Manly Chamber of Commerce and commenced paddling in January 2007.

Since then our membership has increased from just a few passionate foundation members to our present number of over 70 members and growing. The acquisition of two new Champion dragon boats and a boat trailer purchased with a grant from the Gambling Community Benefit Fund enables the club to compete at regattas as well as cater for social paddlers.

Our members come from a diverse range of vocations and a wide range of ages but all share the many benefits of Dragon Boating including improved fitness, endurance, team building, social interaction and the opportunity to make new friends.

To paddle in this idyllic environment, to be on the water at sunrise or sunset and to have dolphins escort us up the channel is just an added bonus. It doesn't get much better than this!

We look forward to welcoming new members and extending our membership to include Juniors during 2008.
